USA MOTORS is proud to have been chosen as the site for **THE VEHICLE TRADE UP PROGRAM**. This is a special pricing and financing program exclusively at Pete Moore Chevrolet. Your vehicle ownership status qualifies you for this program. This is a "no-gimmick, regardless of past credit history" financing program.

Simply exchange your vehicle for any new or pre-owned vehicle up-grade. With high Factory incentives and high trade-in value, you can make this exchange with little or no money down. Financing starting as low as 0.0% APR will be available* along with rebates of up to \$3,500.00 on select models.* Please bring this document in to be admitted as part of the program by **Mr. Car**, our authorized representative at USA MOTORS. Or call **555-555-5555** and ask for **Mr. Car**, be sure to have your **I.D. number** listed above for program # **01071983** available. They will be able to set an appointment with you at a time that is convenient for you.

This event will not be advertised to the general public and this is your only notification. Your trade up will require a visual inspection to offer you the highest possible price. This document certifies that this unique program package is being offered to you exclusively during this event, so please bring two forms of identification that reflect your name and address printed on this document to the program site. To receive an additional **\$200.00 off** your final offer simply bring a new back pack to be donated to local schoolchildren.

Sincerely,

Mr. Car
